UNIVERSITY**

ACKNOWLEDGEMENT OF COUNTRY

Everywhere on this continent, we are all on unceded Aboriginal land. We acknowledge that we are meeting today on the land of the Wurundjeri Woi Wurrung.

We thank and acknowledge the elders of all First Nations for looking after Country since the Dreamtime.

We will do all we can to look after it too, and to restore a safe climate for current and future generations of all species.

Break-out Block 2

Decolonising our partnerships:

Partnering on the Spring Outdoors Cultural Series

Climate
Emergency
Australia
